Item # 7500 Miss A Kit

ASI 60104 PPAI 268014 SAGE 64208 Saagny, Upic: Starlite

This is the original tool for the girl on the go. The Miss A Kit has a flashlight, keychain, needle and thread, perfume bottle, mirror, pill box, knife and more.

Formerly the Miss Army Knife, this is the product featured on NBC's Today Show, US Weekly, Cosmo, Elle, USA Today's gift guide, In Style, and Teen Vogue.

Twelve Designers Colors

What's your emergency?

World Famous Miss A Kit supplies resources to solve everyday dilemmas. Sixteen clever features are squeezed into the new "must have" mini accessory.

Miss A Kit will carry your name or logo and will be the one they think of first and the one they will remember.

Imprinted with the company name, Miss A Kit carries the added benefit of the business ad always being in the recipient's office, desk, car, pocket, purse or home.
